

DISCOVERY INSTITUTE SCIENCE TUTORING

The Discovery Institute for the Advancement of Science and Technology Education is now offering high quality science tutoring for middle-school through college students. Whether you are an "A" student or a "D" student, we will help you to gain a better grasp of content in your science class, improve your grade, improve your study-learning skills, and generally to become a more successful student.

WE OFFER ONE-ON-ONE and SMALL-GROUP TUTORING

MIDDLE SCHOOL—HIGH SCHOOL

- Life Science
- Biology I, II, III
- AP Biology
- Environmental Science
- Physical Science

COLLEGE – UNIVERSITY

- General Biology (e.g., Bio 201, 211 at Cuesta and Bio 111 at Poly)
- Human Biology (e.g., Bio 212 at Cuesta)
- Human Anatomy (e.g., Bio 205 at Cuesta)
- Marine Biology (e.g., Bio 222 at Cuesta)
- Ecology (e.g., Bio 221 at Cuesta)
- Genetics (e.g., Bio 213 at Cuesta and Bio 302 at Poly)

We do not charge traditional fees for tutoring, but we do expect that you will make a monetary donation to the Discovery Institute which will go towards supporting Science, Technology, Engineering, and Mathematics education at all grade levels in San Luis Obispo county.

All Discovery Institute tutors are current or retired science teachers with masters and doctorate degrees. Each has a minimum of 20 years teaching experience in middle school, high school, and college. Each tutor also has professional experience in scientific research and development, both in the field and laboratory. This level of professional experience in science and science education enables us to provide the highest quality tutoring-learning experience. We relate what your learning to the "real world," which makes science more relevant, exciting, and meaningful.
